

Viva Zapata

**We shall forever mourn,
Special Agent Jaime Zapata
And, may our children learn
How he gave the ultimate sacrifice
And, how he was one of our finest and bravest
Fighting to prevent them from forming another vice
His job may not have been the safest
But, for Special Agent Jaime Zapata
His call of duty and allegiance to God and nation
Gave him enough security and confidence to suffice
May his memory serve as motivation
May his sacrifice be our inspiration
And, let his legacy be a drug free nation
Viva Zapata now and forever in our hearts!**

Dedicated to the family, and colleagues, of Agent Jaime Zapata 2/15/11
