

LA PRESA COMMUNITY CENTER

MAY/2014

All the wonderful mother's in our lives here at La Presa Community Center truly celebrated their day with a Luncheon at the Sirloin Stockade Restaurant. Every mom was giving a corsage as a way of saying "WE LOVE YOU!"

This month's birthday boy was Mr. Joe Covington celebrating his 79th Birthday along with his wife Caroline and all the Elderly participants. After we all sang Happy Birthday it was time for Ice Cream and Cake.

It's traditional that the bride throws her bouquet. The one who catches the bouquet is the next one to get married..... SO THEY SAY! Could Ms. Cadena be the next one? Stay tuned.

Celebrating the "Special Bride To Be" was definitely a historical event for La Presa Community Center.

We staff of La Presa Community Center and all her friends wish you well.

MAY YOUR LIFE TOGETHER BE SHOWERED WITH LOVE AND HAPPINESS!
