DTV Town Hall Meeting

A Town Hall meeting was held at the center on April 15th at 6 p.m. in regards to disseminate information on the DTV converter boxes to all the residents of Hwy 359. The meeting was a great success, information was given out to 25-30 residents. The residents were asked to fill out a form and were able to receive a coupon for the converter box. We would like to thank Mr. Larry Sanchez for coordinating the meetings through out the community centers.

Kids Café 1st Annual Easter Egg Hunt

First Annual Kids Café Egg Hunt took place on April 7th at the Larga Vista Park. The children of Kids Café were treated to an Easter Egg Hunt. There were Easter eggs that had candies and others that had a number in them. The ones that had a number received an Easter Basket. The Easter baskets were donated by Commissioner Rosaura "Wawi" Tijerina and Constable Ruben Reyes. A big "Thank You" goes out to them for their generosity. After the egg hunt the kids were treated to a hamburger, bag of chips, snack and a juice.
