Quote of the Month

"If we had no winter, the spring would not be so pleasant: if we did not sometimes taste of adversity, prosperity would not be so welcome."

— Anne Bradstreet

Webb County Executive Safety Committee

The Executive Safety Committee was established in an effort to promote safety throughout all levels of Webb County. The Committee's purpose is to create and maintain an active interest in safety issues, serve as an effective means of communication where data can be reviewed, and discuss and develop recommendations that may address these safety issue to further improve the safety program.

Department heads, elected officials and other key personnel were invited to attend the first meeting on August 28, 2013 where the official Executive Safety Committee members were established, naming Cynthia Mares Executive Chair and Gilberto Garza Co-chair.

Since its inception, the committee's goal has been to address numerous safety concerns that affect both the employees of Webb County as well as its constituents. The first major undertaking was repairing the sidewalks around the Administration building.
