Ref: *ITB #2017-004 "Webb County Sheriff's Office – Law Enforcement Uniform Contract"*

This addendum has been issued to inform all interested parties of the following modifications to ITB #2017-004. This modification will ensure that Webb County secures competitive bidding from ALL qualified vendors interested in submitting a bid proposal.

- ✓ The deadline to submit ITB 2017-004 has been extended from Thursday, December 07, 2017 at 10 a.m. to December 14, 2017 at 10 a.m.
- ✓ Webb County will not accept any Dealer on Record Vendors. All Vendors submitting a bid proposal must provide a written confirmation from 5.11 manufacturer that no dealer on record exists for that vendor.

Should the lowest bidder not provide a written notification from 5.11 that they do not have a DOR agreement, the Purchasing Agent or his designee will verify that information with 5.11 and if a DOR agreement is active for lowest bidder it will result in bidder being disqualified upon confirmation. The Purchasing Agent will proceed selecting the next lowest responsible bidder meeting all the requirements of this solicitation for award and approval by Commissioners Court.
