

**AMENDED NOTICE OF INTENT TO CONTRACT
FOR SPECIFIC DELIVERABLE CONTRACTS
WITH FEDERAL FUNDING**

The County of Webb intends to enter into a specific deliverable contract with a prime provider pursuant to Texas Government Code, Chapter 2254, Subchapter A, and 43 Texas Administrative Code (TAC) §§9.30-9.43, to provide the following services:

Contract Number: CSJ: 0922-33-123, CSJ: 0922-33-124, & CSJ: 0922-33-126

Project Description and Work to be Performed:

The work to be contracted under this contract includes project inspection, construction management, and materials testing for project locations Del Mar Blvd (From SL20 To .6 Mi East). Magana-Hein Rd (From US83 To 6.5 Mi East), and Espejo Molina Rd (From US83 To 1.051 Mi West) located in Webb County.

Project bid packages and plans are available for each project at a cost of non-refundable fee of \$100.00 at the office of the Webb County Purchasing Agent, 1110 Washington, Suite 101, Laredo Texas 78040.

Selection Requirements:

The proposed team must demonstrate that a professional engineer licensed in Texas will sign and/or seal the work to be performed on the contract.

For purposes of executing an engineering contract and doing work with Webb County, the prime provider (firm) must be registered with the Texas Board of Professional Engineers

If a joint venture is being considered, see the "Joint Venture Certification Requirements" section of this notice for additional requirements.

The proposed **project manager** must be registered in the State of Texas.

The selected prime provider must perform a minimum of 30% of the actual contract work.

Joint Venture Certification Requirements:

Webb County allows joint ventures. Submittal of a joint venture proposal is at the discretion of the provider. A joint venture is considered the prime. In order for a joint venture to be precertified, each firm included in the joint venture must be precertified. All joint venture parties must be clearly identified.

For purposes of executing an engineering contract and doing work with Webb County, each firm included in the joint venture must be registered with the Texas Board of Professional Engineers. All joint venture parties will be required to sign the contract and take equal 100 % responsibility for the contract.

Disadvantaged Business Enterprise (DBE) Goal:

This is a federally funded contract. The assigned DBE goal for participation in the work to be performed under this contract is 20% of the contract amount. The provider shall furnish evidence of compliance with the assigned DBE goal or evidence of a good faith effort acceptable to Webb County to meet the assigned goal. Failure to do so shall be reason to consider the provider nonresponsive, and Webb County will select the next highest scored provider meeting these requirements. Remember, the DBE goal can be achieved using the prime provider, the subproviders, or both.

Work Categories and the % of Work Per Category:

CAT 1: Construction Management (55%)

Description: This category includes the performance of construction management duties for all categories of roadways and highways, and minor bridges.

Minimum Requirements: The firm must employ one professional engineer with a minimum of two years of responsible charge experience as a project engineer on roadway and bridge construction projects.

Materials Inspection and Testing

CAT 2: Asphaltic Concrete (30%)

Description: This category includes testing of asphaltic concrete material.

Minimum Requirements: The firm must have available in-house equipment and employ qualified, certified staff necessary to perform the work specified in this category. The firm must employ one professional engineer with a minimum of three years of experience in testing roadway construction materials and a minimum of one person with the proper Hot Mix Asphalt Specialist Certification (Level 1A minimum).

CAT 3: Portland Cement Concrete (5%)

Description: This category includes testing of Portland cement concrete.

Minimum Requirements: The firm must have available in-house equipment and employ qualified, certified staff necessary to perform the work specified in this category. The firm must employ one professional engineer with a minimum of three years of experience in testing roadway and bridge construction materials, and one person with the proper concrete certification (ACI certification Grade 1).

CAT 4: Geotechnical Testing (10%)

Description: This category includes sampling and conducting tests on soil and rock according to the department's approved procedures for the purpose of classifying materials and/or identifying their physical properties.

Minimum Requirements: The firm must employ one professional engineer with a minimum of one year demonstrated experience in the activities normally associated with the category under consideration; and have available in-house equipment and employ qualified staff necessary to perform the work.

Selection Criteria:

Webb County will evaluate Letters of Interest using the following criteria:

- Project understanding and approach (30%)
- The project manager's experience with similar projects (30%)
- Similar project-related experience of the task leaders responsible for the major work categories identified in this notice (20%)
- Prime provider's Quality Assurance/Quality Control program (15%)
- Knowledge of geographical location (5%)

Selection Procedure:

A Short List meeting with providers advancing to the short list will not be held.

Providers advancing to the short list will submit a written proposal. These providers will be sent a Request for Proposal Contract Guide (RFP) containing instructions for preparing a written proposal. **Proposals will be scored the week of April 19, 2010.**

The Consultant Selection Team has determined a range of acceptable scores to be not less than 0 out of the total available points of 1000. If more prime providers fall within the specified range of acceptable scores than the anticipated number of contracts, prime providers will be selected in order of ranking in the evaluation process.

Letter of Interest Requirements:

The Letter of Interest (LOI) is limited to three 8½ x 11 inch pages, single sided, using 12 pitch font size.

The LOI must be submitted with a single staple in the upper left-hand corner. No other binding will be accepted.

The LOI must include the following:

- **Contract Number:** CSJ: 0922-33-123, CSJ:0922-33-124, & CSJ:0922-33-126

- The name of the prime provider's project manager (who may be replaced during the selection and before contract execution only by another person proposed in the LOI for the prime provider's team, as approved by Webb County Engineer and the names of the prime provider's and any subproviders' task leaders (who may be replaced during the selection and before contract execution only by another person proposed in the LOI for the prime provider's or subprovider's team, as approved by the CST) who will work on the contract. Under a joint venture agreement, one project manager must be identified to represent the joint venture as the prime.
- Information showing the team's project understanding and approach; the project manager's experience with similar projects; similar project-related experience of the task leaders responsible for the major work categories; and other pertinent information addressed in this notice. For each similar project referenced, identify either the project manager's or the task leader's specific role(s) and work contributed.
- Evidence of compliance with the assigned DBE goal can be achieved using the prime provider, the subproviders, or both; or if the goal is not met, a written commitment to make a good faith effort to maximize DBE utilization during the contract with an explanation of the good faith efforts to obtain DBE participation.
- Verification in the form of a statement that the proposed team individuals are currently employed by either the prime provider or a subprovider.
- Verification in the form of a statement that the prime provider (firm or the joint venture members) is registered with the Texas Board of Professional Engineers. If not applicable to your firm, please provide an explanation.
- Name and contact information (mailing address, e-mail address, telephone number) for at least three client references for the prime providers' project manager for similar related projects. Whether Webb County or non-Webb County, the client references should be employees, such as the contract manager or work authorization manager, who are most familiar with the proposed project manager's work. They should be individuals who are, or were, actively involved in the management of an existing or previous contract that the proposed prime provider's project manager was: responsible for previously; responsible for currently; or directly involved in, but not as the responsible project manager, such as a task leader. The project manager may use client references for experience obtained under a previous employer. Also, it is understood that first-time project managers may not have three references for previous project management experience. Members of the Consultant Selection Team consisting of: Fitzgerald G. Sanchez, P.E., Leroy Medford, Dr. Cecilia May Moreno, Anna Laura Cavazos Ramirez, and Leo Flores, may not be used as references.

For client references, have the proposed project manager's client-reference

complete and submit a Past Performance Evaluation. Insert your firm and the proposed project manager's name in the appropriate space. You are responsible for providing the evaluation and cover letter to the client- reference identified in your LOI. The client-reference must e-mail or mail the completed Past Performance Evaluation directly to the Webb County contact shown in the cover letter, not your firm. Instructions to the client-reference are with the evaluation form. The evaluation must be completed and signed by the individual identified as the reference in your LOI. **The client reference evaluations are due April 20, 2010.**

Reference information will be evaluated only if the firm is short-listed.

- Submit 6 original Letter(s) of Interest (LOI) with attachments. Each LOI must contain a complete set of attachments

Required Letter of Interest Attachments:

- Each working category attachment is limited to half (1/2) of an 8 ½ x 11 with a font size of 12 pitch containing the names of task leaders proposed for the proposed work category of how they meet the minimum requirements listed in the NOI. Two (2) working categories per page will be allowed.
- An organization chart limited to one (1) 8 ½ x 11 page containing the names of the prime provider and any subproviders' task leaders proposed for the team and their contract responsibilities by work category. Task leaders should be clearly designated. Other personnel can be identified at the prime provider's discretion. The organization chart should also include the name, address, e-mail, telephone and fax numbers of the prime provider and all subproviders proposed for the team. The organization chart can be prepared with a font size of less than 12 pitch. The organization chart is not included in the two page Letter of Interest, it is considered an Attachment.

Deadline:

A Letter of Interest notifying TxDOT of the provider's interest in the contract(s) will be accepted by hand delivery to Webb County Clerk's Office, 1110 Victoria, Suite 201, Laredo Texas, 78040, Attention: H. Margie Ibarra Ramirez, Webb County Clerk.

The provider is responsible for verifying that the TxDOT contact person has received the LOI.

Letters of Interest will be received until 2:00 p.m. CST, on **Tuesday April 06, 2010.**

Contract execution expected by April 26, 2010. This date is estimated according to the current contracting time frames.
