

# Webb County Main Fire Station & Administration Building

For Webb County

Addendum No. 1

Oct. 6, 2015

All interested parties to the project above identified are hereby notified of the following revisions to the Construction Documents. These changes shall take precedence over all previous relevant declarations and drawings found in the Construction Documents. Unless otherwise noted all work described herein or attached shall comply with all the requirements found in and/or referred to in the Construction Documents. All other work affected by this revision not mentioned herein shall be modified to accommodate these revisions. Those modifications shall comply with the design intent, all the requirements found in and/or referred to in the Construction Documents, and shall be executed in coordination with the Architect. This Addendum must be attached to the inside front cover of your set of specifications.

---
