

# Webb County

## Media Alert

**FOR IMMEDIATE RELEASE**  
**DATE: Thursday, January 29, 2015**

*Yesterday was a defining day for us as a Webb County family. I am truly grateful that all of the men injured are going to fully recover. What could have been cause for chaos was actually an instrumental moment. Our Webb County family came together as ONE; the Constables Office, Sherriff's Office, our Webb County employees and Laredo Police Department rallied together to help our injured employees. Most importantly, there was compassion, and the sense that others came first. This is what our Webb County family is about.*

*Thank you to the courthouse staff for their heartfelt response during this unfortunate accident. Thank you to the Laredo Fire and EMS, the Sheriff's Office, Constables Office, Webb County employees, the Laredo Police Department, and those who called in expressing their concerns and well wishes for the injured. What a great example of working in tandem. I am proud to work for you and with you. **We are a family!** Our prayers during this time of healing continue to be with our employees.*

*Un abrazo grande,*
