Santa Arrives in Fred & Anita Bruni Community Center

Children of the Peñitas residents were surprised this Christmas when Santa stopped by the center bearing gifts. Librado Pina and the Rock sponsored over 100 children for the colonia. The kids were treated with several gifts each and some yummy pizza and punch. At the end the kids took turns taking pictures with Santa which they enjoyed very much as well as singing some Christmas carols. Again we would like to thank the Librado Pina and The Rock Gym for making this a very successful event.

Shoe Box Give Away

Shoe Box also sponsored 80 children from the colonia so that they could also receive gifts. Protrans was at the center on Dec. 12 to hand out the gifts, some cookies and juice. All the kids were very excited and happy to get their presents.

Thanks to all the sponsors from Protrans and the Texas A&M Colonias Program for always making this a joyous event for the children.
