## ENGLISH CLASSES

The year for Fred M. & Anita Bruni Community Center took off with a good start. With the help of Laredo Community College, we are now offering English Classes for the residents of Peñitas and surrounding coloñias. The classes have been a great success with an attendance of up to 30 students a day. Many people from around here are taking this opportunity very seriously since coming from

other countries. Learning the local language will help them better communicate with neighbors and co-workers. Classes take place at the center Tuesday and Thursday at 10:30AM. These classes are given by the center librarian, Danelli Benavides.

The center also continued with its regular activities that include food bag distribution, CAA, Mercy Ministries, Healthy Start, yoga classes and tutoring for students every Tuesday and Thursday from 5 to 7pm.
