

Loteria-Thon

The center with the help of Texas A&M Colonias Promotoras held a Loteria-Thon on Friday

shoes as well. We had ten especiales in which they had the opportunity to win a FILA and Adidas jacket. The day was filled with excitement and suspense as everyone wanted to win. There were also

We are hoping to have another Loteria-Thon in August as this one was a great success and so

July 31.

The residents played over 60 games for a chance to win a bag full of brand new clothing, some of which had new

some consolation prizes so everyone left happy.

many resident requested another fun filled day. We had a great time as well a huge turnout of residents.

Summer Camp & Federal Nutritional Program

The center not only entertains the elderly but also people of all ages, as in our 3rd annual summer camp that went through out all of June and July. We have noticed that throughout the years we have more children and volunteers wanting to participate

in this summer program. Without the help of our volunteers donating their free time we might

not have had such an awesome program. One volunteer that stands out among the rest is Carlos Aguilar who will be a sophomore in high school this year. He has been at the center everyday since summer started and has gone above and beyond our

Summer Camp & Federal Nutritional Program (Cont.)

expectations. He not only helps with the kids

but also stays to assist with the cleaning of the center with nothing in return. We hope to have more volunteers like him lend a hand next year as well. Volunteers are an important factor in this community.

The Federal Nutritional Program helped us supply the kids of Peñitas with a healthy lunch while the summer program went on. Our last day for this free meal will be on August 14.

The residents are still taking full advantage of the meal as more kids

show up every day. We even have the parents eating with their kids.

The parents can enjoy a meal from this program for a small fee of \$2.25. It gives the atmosphere a nice family bonding experience.
