#### **New Property Owner's Septic System Certification**

I certify that should this system fail, create, or cause nuisance, I agree to replace and/or repair the existing On-Site Sewage Facility and comply with the requirements established in Title 30 Chapter 285.3 General Requirements by applying and obtaining an Authorization to Construct an OSSF prior to installing a new on-site sewage facility or repairing existing one.

Prior to any flooding event, owner must manually close shut off valves in accordance to flood-proofing requirements.
