

Question & Answer

RFP-2013-14 Electricity Supply Contract for all County Meters and Facilities

1. I wanted to know if you have the information of all the esiid numbers for the Webb County. In the attached document it shows having 103 esiids for Webb County plus another 32 esiids for the Head Start Program. Can you please provide this information so we can start making a pricing presentation?

For the information requested please contact the energy consultant at 956-722-3871 or email marcoaa@prodigy.net
